Addendum to 2016-17 College Catalog and Student Handbook:

RE: Computer Programming Option – Certificate – CER C056

Due to an error, the requirements for the Certificate of the Computer Programming Option should have been 30 hours, instead of 27. The words "Two electives from" is now removed and all three courses, CIS 215, 251, and 255 are now required. Below is the updated listing and thus supersedes the catalog version.

████████████████████████████████
