COST OF ATTENDANCE

2023-2024

RATIONALE FOR THE COMPONENTS

Tuition and Fees

The tuition and fee amount \$2,550.00 for the cost of attendance represent a weighted average then rounded to the nearest hour (15) based on actual enrollment figures for the 2023-2024 fall and spring semesters. Tuition and fees increased from 2023-2024 to 2024-2025 by \$2 per credit hour. (Appendix A).

Room and Board

The room and board figures for those students who do not live with parents are based on the following: Rates for a one bedroom apartment in the Northeast area average **\$635.00** per month, rates for one bedroom apartment in the Shelby campus area average **\$952.00** per month and rates for a one bedroom apartment in the Pell City-St. Clair campus area average **\$808.00**, and rates for a one bed room apartment in the **Chilton-Clanton campus area range \$740.00 per month.** We averaged the four amounts and arrived at **\$784.00(rounded)** per month as the basis for the room and board figure (Appendix B). We allowed **\$890.00** per month for food and utilities (Appendix C). The cost of one semester is **\$7,533.00** (4.5 months), **\$15,066** for fall and spring (9 months) and **\$5,022.00** (3 months summer). For those students who live with parents, we allocated 50% of the total room and board cost.

Books and Supplies

To arrive at the cost of books for 2024-2025, we used the Pioneer Bookstore's "Pioneer Pack" pricing agreement JSCC has with Barnes and Noble. All students are automatically opted in, with an opportunity to opt-out by a deadline. The cost for books per semester is \$24 per credit hour. Online shopping is available on the basis each student will be enrolled on average 5 core classes taught in one term. The classes are based on a student schedule of 15 credit hours. A cost of **\$200.00** for supplies was included to equal a total of **\$560.00** for books and supplies per semester (Appendix D).

Transportation

For the transportation cost, we assumed that the student would drive to campus 4 times per week for 16 weeks and will drive an average of 35 miles each day round trip. We allowed the mileage rate set by federal and state agencies for 2024 at .67 cents per mile. Based on the above information the cost for transportation per semester is **\$1,500.80** (fall and spring) and **\$938.00** (Summer is only 10 weeks) (Appendix E). Personal allowance for 2024-2025 is set at **\$250.00** per month or **\$1,125.00** per semester. (Summer is only 3 months, so the amount of personal allowance is **\$750.00**)

The loan origination fee rate for JSCC students is based on the published rates for Direct Subsidized and Unsubsidized Loans by The Department of Education's Federal Student Aid. This amount is not included in budget. <https://studentaid.gov/understand-aid/types/loans/interest-rates> (Appendix F)
