

A purple-tinted photograph of a surgical table with various instruments. A hand in a white glove is visible in the foreground, reaching towards the instruments. The background shows more instruments and a person's hands working.

SURGICAL TECHNOLOGY

Jefferson State
Community College

jeffersonstate.edu/st

THE PROGRAM:

The Surgical Technology Program is a two-semester certification program. Surgical Techs prepare, maintain, monitor, and enforce the sterile field and adherence to aseptic technique by preoperative, surgical team and postoperative personnel. Includes instruction in instrument and equipment sterilization and handling; surgical supplies management; wound exposure and closure; surgical computer and robot operation and monitoring; maintenance of hemostasis; surgically cleaning a patient and team scrubbing.
