

Implementation Technician Work-Based Learning Opportunity for JSCC Students

Entry level with some mechanical skills, starting pay is \$15.00. Benefits become available on the 1st of the month following a 90-day probation.

We need someone who can:

1. Repair, maintain, and fabricate message boards.
2. Program message boards.
3. Refurbish and fabricate new parts for older message boards.

As an Equal Employment Opportunity employer, we know the importance of a skilled workforce and do not discriminate based on race, color, national origin, sex, sexual orientation, genetic information or because an individual has a disability or is above a certain age. Starting wage for an apprentice in this work-based learning program is **\$15 per hour** with a wage progression of up-to **\$18 per hour**.
